

CyraShift Privacy Policy

Effective Date: June 2026

Information We Collect

Personal Information

Name, email address, phone number, company information, postal address, and information voluntarily submitted through contact forms, downloads, registrations, and inquiries.

Non-Personal Information

Browser type, operating system, IP address, device information, website activity, referral URLs, cookies, clickstream data, timestamps, and analytics data.

Business Data Services

CyraShift provides business-to-business (B2B) data solutions for sales, marketing, recruitment, lead generation, and business development purposes. Information within our databases may be sourced from publicly available records, company websites, professional directories, business listings, industry publications, trade associations, publicly available social and professional profiles, event registrations, and other commercially available sources.

How We Use Information

We use information to provide services, improve user experience, process inquiries, personalize communications, fulfill customer requests, improve website performance, conduct analytics, and send marketing communications where permitted by law.

Marketing Communications & CAN-SPAM Compliance

CyraShift complies with the CAN-SPAM Act and applicable U.S. marketing regulations. Marketing communications include an unsubscribe mechanism, and opt-out requests are processed promptly. Users may unsubscribe at any time.

Data Retention

Information may be retained as reasonably necessary for business operations, legal compliance, fraud prevention, dispute resolution, security monitoring, and enforcement of contractual obligations.

Data Sharing

We may share information with trusted service providers, business partners, professional advisors, payment processors, hosting providers, and governmental authorities when required by law. We do not sell consumer personal information to unauthorized third parties.

Data Accuracy Disclaimer

CyraShift does not guarantee all data is complete, current, or error-free. Customers should independently verify information before making business decisions.

Cookies Policy

We use cookies to improve functionality, remember preferences, analyze traffic, and provide relevant content.

California Privacy Rights

California residents may have additional rights under applicable privacy laws.

Data Security

CyraShift employs administrative, technical, and physical safeguards to protect information.

Third-Party Websites

Our website may contain links to third-party websites. We are not responsible for their privacy practices.

Children's Privacy

Our services are intended for business users and not children.

Policy Updates

We may update this Privacy Policy from time to time. Revised versions will be posted with a new effective date.
